Subject: Dr. Kaye time off

We can discuss tomorrow. Dr. Kaye just sent me this text:

“My stepdad is in hospice my siblings and I need to deal with his end of life issues. I plan to return to work on 8/6. I’ m writing outstanding reports while I’ m here. I’ m sorry for any difficulties this causes. I’ m available by phone or email if needed.”

She has been on leave since last Tuesday (7/17) using her annual leave to take care of this issue. We’ ll have to take care of the clinical issues, but not sure technically how this works from a leave-of-absence standpoint?

Thanks,

Beesh
